Whether you are looking for your first home loan or wanting to look for a better deal, Power2 can help you make the right decision.

Don't run around to every bank in town looking for the right home loan – it takes forever and can get very confusing!

Let us do the hard yards for you and take the stress out of finding that perfect loan for you. With 800 loan products from 35 lenders to choose from, you can be confident we will get the right loan for you.

And if you already come to us to do your tax return we will already have all your financial information on file, so applying for a loan is easy.

If you are feeling the pinch of mortgage repayments, credit cards and car loans, debt consolidation might be the answer to your prayers. We'll do the maths and figure out how you can reduce your loan repayments and take some pressure off your cash flow especially as interest rates start to climb.

Talk to our consultants here at Power2 and find out how you can save on your home loan.
